

# 2008 AGE Annual Report

In 2008 the AGE board and organization made the bold move to further our mission to help older adults and their caregivers. After research, we assumed leadership of the only other licensed adult day center in our area, re-opened as Elderhaven Adult Day Center of Williamson County. The center is located in Round Rock, TX.

After fifteen plus years of operation, the center was threatened with closure due to low attendance and high costs. In a cooperative relationship, AGE was able to continue the program in its existing location without any interruption in service.

Within only a few months the center grew to capacity. How exciting it has been for everyone affiliated with AGE to experience such an uplifting fulfillment of our mission! The opportunity to serve more people in an arena for which we are the model provider is a wonderful affirmation.

In addition, 2008 saw the existing programs of AGE continue to flourish and serve more people. Thank you to all of our supporters, volunteers and donors! In particular we appreciate the warm reception we have received in the communities of Williamson County as we work to serve caregivers and older adults there.

## Allocation of Expenses

## Revenue

Each year, our dedicated group of SeniorNet volunteers provide countless hours maintaining the lab, teaching, coaching, and developing classes and seminars. In September, they received a much deserved appreciation party at the historical and beautiful Caswell House.

Adult Day Health Care is a vital service for aging adults. AGE prevented the closing of the only center in Williamson County; taking over ownership and operation. The successful transition was a joyful day marked with a ribbon cutting.

The Historic AGE Building turned 100 years old June 3, 2008. AGE staff, supporters and volunteers celebrated a building that has supported service to the community since its doors opened. This beautiful cake was donated by All in One Bakery. Thanks to our other In Kind donors from the Driskill, Clarks Bakery, Madcakes and Quacks.

Featured in their 10th annual Season for Caring campaign by the Austin American-Statesman, Shirley and Ralph Wilson received assistance in making their home more accessible. Shirley, an Elderhaven participant, is very grateful for the support of the community which made this possible. Shirley was celebrated as Valentine Queen during one of the many celebrations at Elderhaven Adult Day Center in Austin.

AGE continues to grow and support the needs of Central Texas Seniors and their Caregivers because of generous support from individuals, foundations and corporations. AGE would like to thank the following major donors for their commitment to Seniors.
